Your sponsorship helps create a family-friendly experience that celebrates every life.

WHY SPONSOR?

Your Choice Resource Center is 100% community-funded. We receive no government funding. Every pregnancy test, ultrasound, parenting class, and client service we provide is made possible through the generosity of individuals, churches, businesses, and organizations right here in our community.

That means sponsorships like yours are not simply supporting an event, they are helping sustain a ministry that serves local women, men, and families throughout the year through Christian, compassionate care.

When you become a sponsor, you are:

- Investing in local families
- Demonstrating a commitment to your community
- Helping provide free services to clients facing unplanned pregnancies
- Supporting parenting education and material assistance programs
- Partnering with a ministry that is changing lives every day

YOUR IMPACT

When you sponsor our Walk/Run/Littles for Life, your impact extends far beyond a single Saturday morning event. Your partnership helps provide hope, help, and compassionate care to women, men, and families throughout Eastern North Carolina.

OUR SERVICES

All services are FREE and confidential.
