# Something to Celebrate!

A baby's 1<sup>st</sup> birthday party is a **big** event! We want every baby to be celebrated in a **big** way, because *life is a gift*.

When a pregnancy is unexpected, it can be difficult to see the new life growing in the womb as a gift. Plans will change, preparations will have to be made, and life will look different for the parents of the new baby. We want to help women and men see the beauty and joy in a new life. Whether they choose to parent or make the selfless sacrifice of adoption, we want to be there to walk with them, answer their questions, and help them see the many reasons to celebrate the new life with which God has gifted them.

We celebrate these new lives by offering compassion and care to their parents. You are part of the celebration when you give financial support or material donations, or serve as a prayer intercessor, volunteer, or advocate. We rely upon the generous donations of individuals, churches and businesses.
