

Unplanned pregnancy is not taking a vacation during this crisis and neither are abortion clinics! Our Baby Bottle Campaign is more important than ever.

Each Spring, from Mother's Day to Father's Day, supporters pick up a bottle from their church, participating businesses, or the Center to fill with change, cash, or checks. While we are extremely disappointed to miss interacting with our supporters, due to the corona-virus, we believe that the health of our staff, volunteers and supporters must be protected. So, instead of handing out baby bottles, we are asking for each of our supporters to donate online, text give, or send a check in the mail.

A typical bottle holds \$25 in change; we challenge each of our supporters to donate \$30 or more in honor of our 30th year anniversary! Our goal is to raise \$60,000 to continue helping women and families in our area! Please feel free to contact Sherrie, our office manager, via email at office@friendsofycrc.org with any questions. As always, thank you for your support as we work together to save mommies, and babies, and families.
